Dayana,

OAQPS has received a request from OAR to provide a list of all of the outstanding RH 1st PP Actions. We'd very much appreciate if you or others in your Region could briefly review the attached documents for accuracy.

We ask that you take a look at the actions associated with your Region and make sure the information is generally accurate—please confirm accuracy or return any edits/comments by Thursday, June 18th. Thank you in advance for your help!

Best,

Joe Stein
